

The background features a complex, light blue and white geometric pattern. It includes several interlocking gears of different sizes, some with arrows pointing in various directions. There are also hexagonal shapes and a network of lines with small circles at the intersections, resembling a molecular or circuit diagram. The overall aesthetic is technical and modern.

# Library Management

The screenshot shows a web application for library management. On the left is a sidebar with a user profile for 'John yeo' and a navigation menu. The main area is titled 'Book' and contains a table of book entries. The table has columns for Book name, Author, Copies, and Available copies. The data is as follows:

Book name	Author	Copies	Available copies
Artemis	Andy Weir	6	6
Glass Houses	Louise Penny	15	15
Hardcore Twenty-four	Janet Evanovich	10	9
Little Fires Everywhere	Celeste Ng	2	2
Origin	Dan Brown	8	8
The Midnight Line	Lee Child	5	5
The Rooster Bar	John Grisham	21	17
Two Kinds of Truth	Michael Connelly	3	3

At the bottom right of the interface, there is a watermark that reads: 'Activate Windows Go to Settings to activate Windows'.

The institute can add book categories, books about the category, authors, editions, and copies. You can also define late fees and create a reminder for the same. You can issue and receive books with their fine that will be automatically calculated as per the predefined charges.
